

The future is waiting for them...

All you need to do is claim it!

California has invested **over \$2 billion in CalKIDS Scholarships** to support more than **5 million children** on their path to college or career training. Your child-or a child you know-may have a CalKIDS Scholarship Account waiting to be claimed right now.

- All children born in California on or after July 1, 2022 have been awarded a scholarship **worth up to \$175**.
- More than 60% of California's public school students have been awarded a scholarship **worth at least \$500**.

See if your child has a scholarship waiting for them today!

Claim their future today at CalKIDS.org
